Special Moments

The students on the Yearbook were very cooperative this year with many good ideas and did not give up when the going was getting rough.

Few people realize all the work and time involved in creating a book for the students and faculty. It takes originality, creativity, patience, but most of all the ability to work hard for nothing but the satisfaction of pleasing the students at Yorkwood with the 1972-1973 Bear Tracks.

Juniors Create Prom "1973"

The Junior class worked very hard to make the prom a big success. They decorated the gym to fit the theme of "Precious and Few." The sophomores served a restaurant style meal with the help of the juniors' mothers. The seniors thoroughly enjoyed the great effort they put forth. It was one of the best proms ever held at the high school.
